2019 APBnet Free Trial Enrollment Form

1/1/2019

On this page, enter your organization and contact data. Email this completed form to TBower@CriticalReach.Org. We will set up your organization and email you back the information needed to download and install APBnet. We will support your installation by phone as needed.

Organization Name		Organization Type	
Street Address			
City	County	State	Zip
Main Agency Phone		Number of Sworn Personnel	
Non-technical Contact Name and Telephone Number	email Address		
Technical Contact Name and Telephone Number	email Address		

APBnet can be installed on Windows 7 and Windows 10 computers. Connectivity to our program servers (to specific IP addresses on specific ports for outbound traffic only) is required for operation. Once connectivity is established, installation is generally completed in less than 5 minutes. APBnet is widely admired for how easy it is learn and use for non-technical police officers.

2020 APBnet Annual Support Fees

This information is provided to free trial enrollees for purposes of full disclosure. The APBnet Annual Support Fee is the only cost associated with the program.

The Annual Fee covers use of our national servers, network bandwidth, all software maintenance and upgrades, and unlimited user support. The Annual Support Fee is based on agency size as shown below. There is no cost to the free trial program and no billing will occur until your approval after the free trial. Support fees are billed each December for the following year.
